

Mission and Vision

BHI Holdings, Inc. has full confidence in the continuing growth of the Philippine economy and envisions a bright future for investing in the real property in the country.

The Company believes that sound corporate governance will play a key role in fulfilling its mission to create value for its stockholders and generate business investments that would redound not only the benefit of the company but to the investing public as a whole.

With the Management's vision and leadership and the Board of Directors continuing support, we will overcome every challenge, and success will be attained as transformation towards a stronger company continues.
